2013
bmx range

Welcome to the 2013 Cuda BMX brochure.
There have been a lot of changes to improve and extend the range, in it you will find...

- 3 new models including an 18" scaled to fit the smaller Shredder
- All bikes except the Dirt Squirt are fitted with a 25/9 micro gearing and cassette rear wheel
- A larger race range
- More colour options

Take a look, we're sure you'll find something you like.
